Congratulations to Sally Davey and Nicola Edwards at Schools at Somerhill

Sally Davey has been a real star at Somerhill. An incredibly hard worker, Sally is always willing to help out at functions with a smile and enthusiasm. In half term the new kitchen and dining room was completed which involved a considerable amount of extra work to ensure a smooth transition. Sally proved to be a great team player and support during this busy time. Well done and thank you.

Nicola has just joined the team at Somerhill as second chef. She has been really supportive and gone the extra mile to cover match teas. Nicola, in a short period of time, has proved to be a great asset to the team. Welcome to Accent and many thanks Nicola.

Jackie Long's achievements recognised at Seven Kings High School

Jackie Long (pictured centre) started in September 2008 at Seven Kings High School in Ilford with a challenge to increase sales, margin, training and leading the team into a new year. Jackie in a short period of time has managed to complete the objectives set and also gained five stars from the environmental health authority. Congratulations.

Rachel Neighbour always happy to help

Rachel Neighbour (Evening Chef at Honda Logistics) has been a real support to Dave Mercer (Catering Manager) since he started at Honda at the end of August. John Perry (General Assistant) broke his collar bone and was off work for 5 weeks. During this time Rachel covered and made Dave's life a lot easier especially at some very busy hospitality events. Rachel helped and a letter from a satisfied customer complimented Rachel for being so polite and helpful. Thank you Rachel.

Louisa Spriggs from Thomas Willingale is recognised

Louisa has been nominated by her manager. She has taken upon herself the responsibility for making all desserts with great feed back from the staff at the quality of her cooking. Louisa is a great asset, working on her own initiative and is a huge support to Wilma Last her catering manager.

Alfriston School's shining star is Lesley Child

Phillip Clawson has had great support from Lesley this year. Always working hard, approaching every task with enthusiasm and ensuring there is an efficient daily service. Philip's life is smoother with Lesley's input and feels the service would not be the same without her valued contribution.
